

The background of the slide is composed of several overlapping geometric shapes. A large, dark grey triangle points upwards, centered on the page. Within this triangle is a smaller, light blue triangle, also pointing upwards. The text 'MATERIAL DESIGN' is centered within the light blue triangle. To the right of the central triangle, there is a large blue triangle pointing downwards. On the far left, there is a small blue triangle with diagonal lines. At the bottom of the slide, there is a horizontal bar with a gradient from orange to purple.
